A 'Jaiyal-Finish' Card + Made by Gray & Thompson + Chapel Hill, N. C.

Received your letter. I am
a m. I was out shopping
yesterday. The home is
at the edge of town. The
way the town is building
up it will be soon in
town. I finally found some
picture post cards so will
be sending you one
now and then. I just
read a letter from one of the
old ladies who can't see
as well. Florence
